“Best Places to Work in Maine” Announces Top Employers in the State

PORTLAND, Maine (October 19, 2020)—This year’s top winners in the large and medium employer categories in the “Best Places to Work in Maine” are both companies who have made the list previously, however this is their first year taking the top spot.

For the first time, Machias Savings Bank took top honors among large companies (250 or more U.S. employees). Wings for Children and Families, a Bangor based non-profit, took top honors in the medium employer category (50 to 249 U.S. employees).

Acadia Benefits, Inc., based in Portland, attained the top spot among smaller businesses (15-49 U.S. employees).

A large number of companies participated in “Best Places to Work in Maine” this year, with 84 organizations named to the list.

Maine State Council of the Society for Human Resources Management (MESHHRM) was unable to honor the organizations making the “Best Places to Work in Maine” list in person this year due to COVID-19 restrictions preventing large gatherings.

The “Best Places to Work in Maine” program recognizes companies that have established and consistently fostered outstanding workplace environments. The assessment process, administered by Best Companies Group, evaluated each company’s employee policies and procedures as well as survey responses from the companies’ employees. In August, the Maine Society of Human Resources Management released a list of the 84 companies that made the cut as an overall Best Place to Work.
